

**A lot of experience.
A lot less harmful waste.**

What you really want is to have fun on the job but only if it is smooth-running. We know this from experience, which is why we at STIHL make oils, grease and fuels that are perfectly matched to STIHL technology. The result, even after many

years of use, is still crystal clear: No matter what STIHL products you use, we always deliver outstanding performance, with fuels that feature optimal lubrication and low-residue combustion.

Fuels and lubricants, canister and accessories

- High-quality fuels and lubricants for smooth-running performance
- Optimal lubrication properties
- Low-residue combustion
- High environmental sustainability
- Accessories for transport and easy refilling of tools

MotoMix – standard container

Ready-mixed fuel (1:50) for all STIHL engines, optimal performance, best cold start ability, maximum acceleration over the entire rpm range, best running characteristics even with a sudden gas change. With STIHL HP ultra premium oil for exceptional engine lubrication and extreme cleanliness, fully synthetic and biodegradable for optimal performance and long service life. User- and engine-friendly thanks to fewer emissions (free from ethanol, olefins and aromatic compounds). Can be kept in storage for at least two years. Reliable top performance – STIHL engines und STIHL MotoMix are made for each other, all imaginable uses have been put through rigorous tests.

- 3 l
Order No. 0781 999 6391
- 5 l[ⓐ]
Order No. 0781 999 6396

Accessory: filling system for fuel

To easily refuel your STIHL power tools. For MotoMix standard containers, STIHL combination canisters and STIHL petrol canisters up to 5 l, suitable for all tank openings Ø >23.5 mm.

Order No. 0000 890 5005

Order No. 0781 999 6004

Accessory: pouring aids for standard containers

For easy, clean metering and refilling. High flow rate.

For 3 l/5 l, spouts.

Order No. 0000 881 8800

For 20 l, spouts.

Order No. 0000 881 8801

For 20 l, tap.

Order No. 0000 881 8803

HP two-stroke engine oil

Mineral oil-based engine oil, especially developed for the demanding needs of power tools. Very good lubrication and combustion properties, JASO-FB, ISO-L-EGB, fuel/oil ratio 1:50, suitable for all STIHL engines.

- 100 ml (for 5 l)
Order No. 0781 319 8401
- 1 l (for 50 l)
Order No. 0781 319 8410
- 1 l (for 50 l), metering bottle

- 5 l (for 250 l)
Order No. 0781 319 8433
- 10 l (for 500 l)
Order No. 0781 319 8434

HP Super two-stroke engine oil

Semi-synthetic "low-smoke oil", specially developed for STIHL engines. Outstanding start capability and clean, low-smoke burning. JASO-FD, ISO-L-EGD, fuel/oil ratio 1:50.

- 100 ml (for 5 l)
Order No. 0781 319 8052
- 1 l (for 50 l)
Order No. 0781 319 8053
- 1 l (for 50 l), metering bottle
Order No. 0781 319 8054
- 5 l (for 250 l)
Order No. 0781 319 8055

HP Ultra two-stroke engine oil

Fully synthetic oil for continuous use under the most demanding conditions. Exceptional lubrication properties, low-residue combustion, more than 80% biodegradable in 21 days, particularly low in sulphur, JASO-FB, ISO-L-EGB, fuel/oil ratio 1:50.

- 100 ml (for 5 l)
Order No. 0781 319 8060
- 1 l (for 50 l), metering bottle
Order No. 0781 319 8061
- 5 l (for 250 l)
Order No. 0781 319 8063

500 h with HP Ultra

Exceptional lubrication and cleanliness are the most important development specifications for all STIHL engine oils. With consistent use of HP Ultra, a piston that has been running for several hundred hours in the STIHL test lab still looks almost new (see above). It is important to know that all STIHL engine oils have been specially developed for extremely demanding high performance engines. Whether for two-stroke, 2-MIX or 4-MIX® engines, with STIHL motor oils you have piece of mind that extensive tests for prolonged durations have been successfully conducted.

	Lubrication	Cleanliness	Deposit build-up protection	Corrosion protection	Miscibility up to ethanol content of 25% [ⓐ]	Special characteristics	Recommendation
Two-stroke engine oils							
HP	+	+	+	+	yes	Good lubrication and combustion properties	High-quality product
HP Super	++	+++	+++	++	yes	Low in smoke, very good miscibility	Top product for a long service life
HP Ultra	+++	+++	+++	+++	yes	Biodegradable, ash-free burning	Product for very clean engines and particularly environmentally-friendly

+ Suitable ++ Highly suitable +++ Very highly suitable [ⓐ] Please follow the tool's safety instructions

BioPlus chain oil

Particularly eco-friendly oil derived from plants with superior lubricating and adhesive properties. Faster biodegradability in soil, awarded among others the European Ecolabel, tested according to OECD 301 B. Freely miscible with STIHL SynthPlus so it is easily possible to change between environmentally-friendly work with BioPlus and the tool-friendly storage for long periods with SynthPlus.

Pouring aids for chain oil

For easy, clean metering and refilling.

- For 3 l/5 l, spouts.
Order No. 0000 881 8802
- For 20 l, tap.
Order No. 0000 881 0119

ForestPlus chain oil

NEW

High quality mineral oil base. Sound lubrication, prevents resinification even during prolonged downtimes.

- 1 l
Order No. 0781 516 6001
- 5 l
Order No. 0781 516 6002

Superclean

Spray with dual function: Removes resin and dirt, while being a lubricant and corrosion protection. For cutting attachments, hedge trimmer blades and chain saws.

- Can, 50 ml
Order No. 0782 420 1001
- Can, 300 ml
Order No. 0782 420 1002

Multispray

Multifunctional oil for lubricating, removing dirt and stubborn parts, as well as corrosion protection, contact spray and penetrating oil.

- Can, 50 ml
Order No. 0730 411 7002
- Can, 400 ml
Order No. 0730 411 7000

Multi-lube

Multi-purpose grease for all STIHL hedge trimmers and electric chain saws.

- Tube, 40 g
Order No. 0781 120 1021
- Tube, 80 g
Order No. 0781 120 1109
- Tube, 225 g
Order No. 0781 120 1110

FS super lube

High-performance gear lubricant for all STIHL brush-cutters and clearing saws.

- Tube, 40 g
Order No. 0781 120 1022
- Tube, 80 g
Order No. 0781 120 1117
- Tube, 225 g
Order No. 0781 120 1118

Varioclean

For dissolving and removing organic oil residues and for cleaning air filters and housings.

- Spray bottle, 500 ml
Order No. 0000 881 9400
- Canister, 5 l
Order No. 0000 881 9409

Grease gun

For exact lubrication of sprocket.

- Order No. 1108 890 2500**

Petrol canister

Containers available in different sizes and colours. UN-approved.

- 3 l, transparent
Order No. 0000 881 0204
- 5 l, transparent
Order No. 0000 881 0202

Order No. 0000 881 0209

- Accessory: spout**
(see image above)
Order No. 0000 881 0217

Combination canister, orange

Standard
Twin canister for 5 l fuel and 3 l chain oil. UN-approved.

- Order No. 0000 881 0111**

Professional
Two holders for carrying tools and filling system (tools and filling system not included).

- Order No. 0000 881 0113**

Accessory: spout
(see image above)

Black, with cap.

- Order No. 0000 881 0128**

Small twin canister for 3 l fuel and 1.5 l chain oil. With UN-approval, including spouts, canister suitable for STIHL filling systems.

- Order No. 0000 881 0124**

Filling system for chain oil

To easily refuel the tool without it overflowing. Suitable for all tank openings Ø >23.5 mm.

- Order No. 0000 890 5004**

Combination canister, transparent

Standard
Twin canister for 5 l fuel and 3 l chain oil. UN-approved.

- Order No. 0000 881 0120**

Professional
Professional range with two holders for carrying tools and filling system (tools and filling system not included).

- Order No. 0000 881 0123**

Accessory: spout
(see image above)

Black, with cap.

- Order No. 0000 881 0128**

Filling system for fuel

To easily refuel the tool without it overflowing. For STIHL combination containers, STIHL petrol canisters up to 5 l and MotoMix standard containers, suitable for all tank openings Ø >23.5 mm.

- Order No. 0000 890 5005**

Accessory: spacer ring
(see image above)

For MS 200 chain saw series.

- Order No. 0000 894 6301**

Holders

To conveniently store the filling system. For standard combination canisters and smaller versions 3 l/1.5 l.

- Order No. 0000 881 0126**

To conveniently store the tools. For standard combination canisters.

- Order No. 0000 881 0127**

Measuring jug

For preparing fuel mixtures.

- For mixing up to 5 l
Order No. 0000 881 0186

- For mixing up to 25 l
Order No. 0000 881 0182

Metal canister

20 l container with UN-approval.

- Order No. 0000 881 0205**

Accessory: flexible spout
(not pictured)

- Order No. 0000 881 0211**
